

FIRST IN A SERIES INTRODUCTION TO BAKERY PROCESSES **WEBINAR** FROM CONCEPT THROUGH CONSTRUCTION

Thursday, November 14, 2013 | 3:00-4:00pm EST

The objective of the Young Professionals Committee is to develop Networking and Educational opportunities for ASB's members who are 40 years old or younger. *Introduction to the Bakery Processes* will provide an overview of major baking processes including mixing, make-up, proofing, baking, cooling and packaging; design considerations for each process from line layout to construction; sample construction details and photos; and a Q&A session.

COMING UP NEXT ►► *A Young Professionals Guide to BakingTech.*
